

AMG2008 Instruction Sheet

AMG2008 19" Rack Mount Subrack Chassis

AMG2008 Rack

The subrack is a standard 19" rack-mount housing 3u high, 84HP wide and 285mm deep. Power supplies need to order separately. It is designed to accept 'G' type AMG units.

It is supplied fitted with 5 sets of card guides to allow for mounting AMG equipment.
